

## Incoming Wire Instructions

Please use these instructions when wiring funds into your account at Firefighters Credit Union. All information is required in order to post incoming wired funds to your account.

### Receiving Financial Institution (or Beneficiary Financial Institution)

Name: Alloya Corporate FCU  
ABA Routing/Transit #: 271987635  
Address: 4450 Weaver Parkway  
Warrenville, IL 60555

### Beneficiary Account (or Further Credit To)

Name: Firefighters Credit Union  
Account Number: 324079225  
Address: 124 W 1400 S, Ste 101  
Salt Lake City UT 84115

### Final Credit To (or Beneficiary)

Name: (Member's Name)  
Account Number: (Member's Account Number)

PLEASE NOTE: If the member's name and account number are not included in the wire transfer request, funds may not be deposited to the member's account. If the funds are to payoff or be applied to a loan, please include the loan suffix with the Member's Account Number.

### Wire Transfers Initiated Internationally

If members are requested to provide a SWIFT code (a code used internationally to identify financial institutions for funds transfers), they should inform the requester that Firefighters Credit Union does not have a SWIFT code and to first send the funds to a U.S. Branch of their Correspondent Bank, and from there send the funds using the information contained above. The foreign financial institution should be aware of these procedures.

PLEASE NOTE: funds transfers from outside the U.S. must be received in U.S. funds (dollars) to be posted to a member's account.
